

FLAGSTONE & SLABS

Sonoran Brown Flagstone

DESCRIPTION

Sonoran Brown carries a warm, desert-inspired palette of chocolate, tan, and muted rust tones with subtle shifts in depth and texture. Its surface blends smooth planes with natural clefting, giving it a rugged but composed appearance. The color balance feels distinctly Southwestern—earthy and sunbaked, yet refined enough for contemporary design interpretations.

STONE THICKNESS:

1 1/2" - 2"
